DEVELON

Continuous evolution, for better.

We trace our roots to 1937 as one of Korea's first large-scale machine plants. During that time, we have consistently delivered earth-moving equipment to build critical infrastructure for the betterment of communities, societies and the wider world.

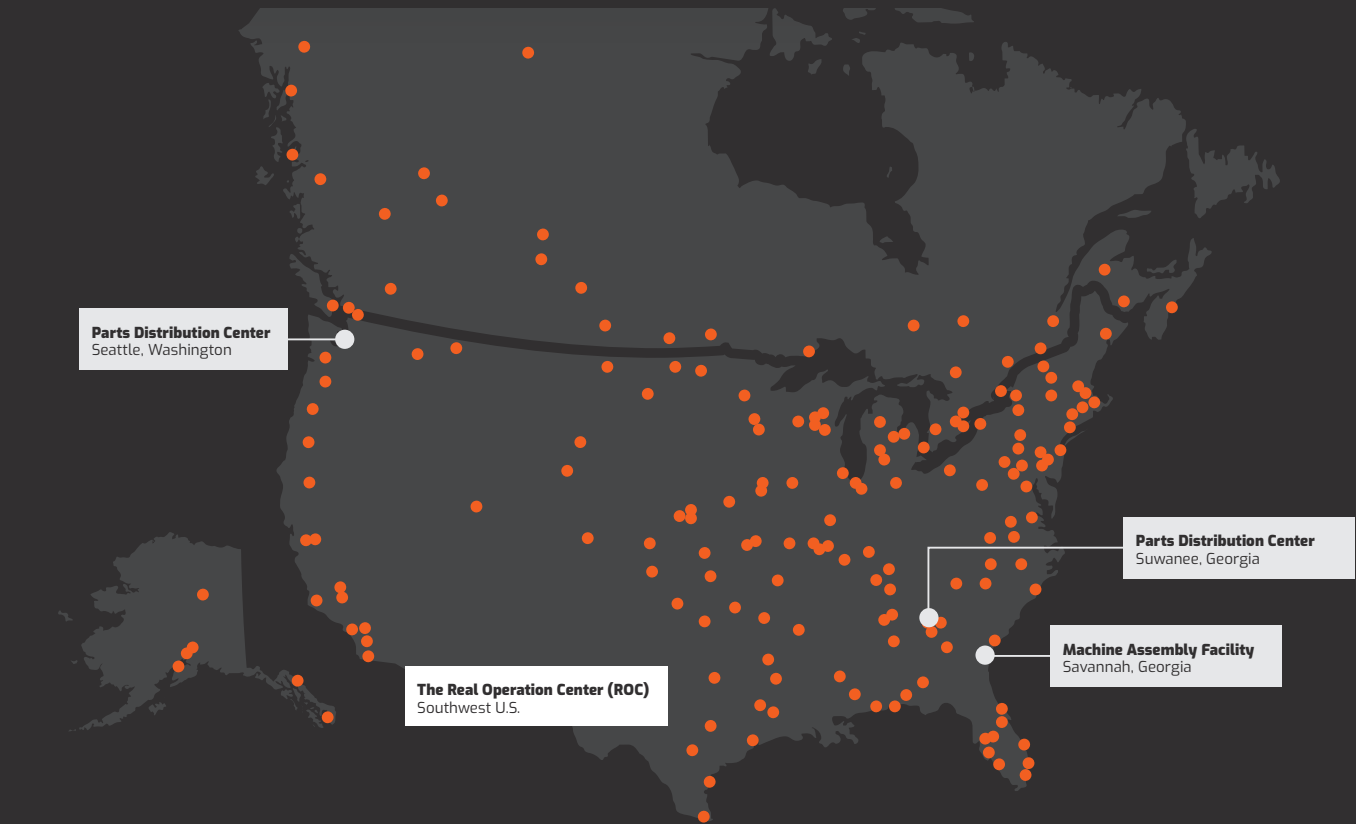

We are
DEVELON.

DEVELON is a bold name that reflects our core ambition to continue developing onward and leaving behind a positive footprint in our world. Moving forward, we will continue providing innovative products and solutions that advance the world we live in today.

Dedicated to Your Success.

DEVELON helps solve your unique business challenges to advance the development of our world. We are Powered by Innovation, delivering a full lineup of durable equipment, outstanding value and comprehensive services from our expanding network of North American dealers.

Strong Dealer Network
Our network of local dealers continues to grow across North America. These knowledgeable teams are dedicated to your success by offering responsive service, reliable parts and trusted advice.

Parts Availability
With two DEVELON-exclusive parts distribution centers in Georgia and Washington state, our dealers provide more parts inventory and faster delivery – including less than two-day delivery on a majority of genuine DEVELON parts.

Machine Assembly Facility
A dedicated facility in Savannah, Georgia, tailors the equipment configuration and final machine assembly for faster delivery.

DEVELON Fleet Management

Free monitoring. No contract. No fees.
A standard feature on most DEVELON models, DEVELON Fleet Management makes it easy to remotely monitor and maintain your equipment. This powerful diagnostic tool monitors the health, location and productivity of your DEVELON equipment from a user-friendly mobile app and website.

Standard Warranty
Our equipment includes full coverage for 12 months or 1,500 hours *and* powertrain and hydraulic coverage for 36 months or 5,000 hours, along with dedicated support from dealers to stand behind it.

Extended Warranty
The Protection Plus® extended warranty plan offers more than 70 different options, allowing you to customize protection from deficiencies in materials or workmanship.

Wheel Loaders

DEVELON wheel loaders deliver market-leading productivity required for construction and municipal operators and industrial, mining and quarrying applications. Improved performance features increase operational efficiency in a variety of applications.

	TIPPING LOAD STANDARD ARM, STATIC, FULL TURN	BUCKET CAPACITY HEAPED, ISO/SAE	RATED POWER NET
DL200-7*	19705 lb. (8938 kg)	2.62 yd ³ (2.0 m ³)	142.1 hp (106 kW) @ 2200 rpm

Premium Features Come Standard on DEVELON Equipment.

To compete and succeed you need equipment that helps you maximize job site productivity and the bottom line. DEVELON machines do both. To ensure a high return on investment, we add more premium features as standard equipment on every model.

These features are often options that come with an additional cost from other manufacturers. By including them as standard, DEVELON gives you a competitive edge — helping operators work more efficiently and improving safety during the longest workdays.

Wheel Loaders

Heavy-Duty Axles, DEVELON Fleet Management, Smart Touch Display, Rearview Camera, Auxiliary Hydraulic Spool and Piping, Smart Key

Crawler Excavators

DEVELON Fleet Management, One-Touch Power Boost, Heavy-Duty Wear Plates, Rearview Camera, Automatic Belt Tensioner, Smart Touch Display, Air-Suspension Seat

Wheel Excavators

DEVELON Fleet Management, One-Touch Power Boost, Heavy-Duty Wear Plates, Rearview Camera, Smart Touch Display, Fine Swing Function, Air-Suspension Seat

Mini Excavators

Thumb-Ready Arm, Selectable Control Pattern, Quick-Coupler-Ready Design, 1-Way/2-Way (Without Pedal), Travel Alarm, DEVELON Fleet Management

Articulated Dump Trucks

Tailgate, Premium Air-Suspension Seat, Automatic Central Lubrication System, Premium Operator Cab, DEVELON Fleet Management, Active Payload Meter, Self-Leveling Hydro-Gas Front Suspension

Dozers

DEVELON Fleet Management, ECO Mode (Selectable Engine Control), Rearview Camera, Blade Shake, Smart Touch Display

Log Loaders and Road Builders

One-Touch Power Boost, Rearview Camera, Quarter-Inch-Thick Side Panels, Radio and MP3 Audio, LCD Monitor, Air-Suspension Seat, Centralized Boom Grease Points, DEVELON Fleet Management

Material Handlers

DEVELON Fleet Management, Fixed Cab Riser, Rearview Camera, Centralized Arm and Boom Grease Points, Selectable Control Pattern, Automatic Belt Tensioner, Air-Suspension Seat, LCD Monitor

Maximize Your Equipment Investment With DEVELON Attachments.

Versatile DEVELON equipment can use a variety of attachments to expand your capabilities on every job. Our attachments are built to DEVELON machine specifications for superior reliability and performance.

Wheel Loaders

General Purpose Bucket
Designed with a sloped bottom for maximum filling while retaining material and improving dump angle.

Rock Bucket
Designed for heavy-duty digging applications.

Light Material Bucket
Designed for material densities less than 2,000 lb./yd³ (1185 kg/m³).

Pallet Fork
Fork design offers improved center of gravity for better load control and handling.

Grapple Bucket
Optimized for land waste or recycling operations or land clearing.

Quick Coupler
Quickly change your non-hydraulic wheel loader attachments without leaving your seat.

Aggregate Bucket
Designed with a flat bottom for an optimal cut into a pile to provide maximum filling and machine efficiency.

Crawler and Wheel Excavators

Heavy-Duty Bucket
Built to match your digging demands with reinforced diamond-folded top section for added strength.

Angle-Tilt Bucket
Bucket rotation tilts 45 degrees in either direction to enable cost-effective grading, sloping and land clearing.

Severe-Duty Bucket
Built for harsh digging applications with high-quality, abrasion-resistant material.

Hydraulic Quick Coupler
Easily switch a wide range of excavator attachments without leaving the cab.

Ditch-Cleaning Bucket
Available in standard and heavy-duty.

Thumb
Provides an easy-to-install solution. The DEVELON universal hydraulic clamp is available in a range of fixed widths and lengths.

Mini Excavators

Heavy-Duty Bucket
Available with pin- or quick-hitch-style top caps.

Ditch-Cleaning Bucket
Available with pin- or quick-hitch-style top caps.

Thumb
Installs quickly and easily due to thumb-ready arm and standard auxiliary hydraulics on the machine.

Hydraulic Quick Coupler
Improves versatility for connecting a wide range of attachments without leaving the cab.

Manual Quick-Hitch
Easily interfaced and connected with a wide variety of attachments with one simple, single-pin retention system.

Dozer

Parallel 3-Shank Ripper Attachment
Features parallel linkage that helps maintain a constant angle to the ground regardless of the height.

Towing Draw Bar Attachment
Makes it easy to use your dozer for towing other equipment around the job site.

Two Blade Options
Choose from a standard (XL) blade or a low-ground pressure (LGP) configuration. See model spec sheets for blade capacity details.

Log Loaders

Log Grapple
360-degree continuous rotation improves picking and placing and minimizes the need to move your machine.

Road Builders

Hydraulic "Pin Grabber" Quick Coupler
Saves time when switching attachments.

Wedge Lock Quick Coupler
Excellent option that allows attachment versatility.

Material Handlers

Grapple
Matches your material handler's load ratings and hydraulics for the best possible performance.

Certain specification(s) are based on engineering calculations and are not actual measurements. Specification(s) are provided for comparison purposes only and are subject to change without notice. Specification(s) for your individual DEVELON equipment will vary based on normal variations in design, manufacturing, operating conditions, and other factors. Pictures of DEVELON units may show other than standard equipment.
